

Enrollment Criteria

CDC - Pre-K2 - Pre-K4

A child must be 2 ½ years old and potty trained before admittance to our Child Development Center program. Our little scholars will be admitted based on the age they turn prior to October 1 of the school year.

Academy - Kindergarten - 5th Grade

A child must meet the proper birth date requirements (correct age for grade prior to October 1st of the school year, or prior to September 1st - based on testing data) in order to be admitted into the proper grade and must have been enrolled in and successfully completed the requirements of the prior grade level. Applicants must provide supporting elementary grade documents from the previous school in order to verify the aforementioned before admittance. For example: Students enrolling in the 3rd grade must have completed a 2nd grade program and must submit final report card and/or any documents showing promotion and attendance.
